

What do I put in the offering plate when it comes around during worship?

You will receive a printed receipt of your donation that you can place in the offering plate, if you choose.

What if I try it and I don't like it?

You can cancel your automatic deduction schedule on the website at any time.

Can I use a credit card?

No, we have opted not to support credit card transactions. Online donations must come from a checking or savings account.

Can I look up my donations online?

You can view all donations completed online, print out a statement, and even use it for tax purposes. Please note that the online statement will not show any offerings you give at the church (e.g., checks & envelope giving). As always, you will receive your complete donation statement from the church financial secretary.

How much does E-Giving cost?

It will not cost you anything, but the church will be charged a nominal fee (0.5% plus \$0.25 per transaction).

We encourage users of this convenient E-Giving service to add a small amount to cover these fees.

Is E-Giving Secure?

Absolutely! Our provider has the highest security standards and is PCI Level 1 compliant.

What is E-Giving?

E-Giving is short for electronic giving. It is an automatic transfer program that allows you to make contributions without the hassle of writing checks or bringing cash.

How does it work?

Go to our website (www.kgshiloh.org) and click on the E-Giving link. Then, simply follow the directions to register your checking or savings account. Any e-giving donations you make will then be transferred directly from your account to the church's account.
